- Prerequisites required if any
- Expectations of student involvement/assignments (i.e. job shadowing, internships or projects)

- List of Specific Competencies** (*information may be included in the syllabus*)
 - Learning outcomes - competencies written as measurable outcomes (SWBAT)*
 - Industry certifications covered (if applicable)

***Note:** you can review the college course competencies list & indicate which competencies are taught in your class (highlight those that apply)
- Assessment Criteria** (*information may be included in the syllabus*)
 - Expectations for student performance
 - Description of testing / how is student learning assessed?
 - Specifications for culminating project or group project, if required part of course
- College Tech Prep Notice to Students** (*must be included in syllabus when requesting articulation renewal*)
 If you are requesting an articulation update or renewal, the high school syllabus **MUST** include a notice to students indicating the course is Tech Prep approved and articulated with one or more colleges. The following statement is a *sample* notice. You can use/modify the statement below to include in your syllabus:

College Tech Prep Program:

This course is *College Tech Prep* approved and articulated with (Name of College & Program Area). Students who demonstrate proficiency of the college course competencies with a 'B' (85%) or better grade, *may* earn college credit through the *College Tech Prep* registration process. The college competencies are attached to this syllabus. During the semester/year, all competencies will be covered in class, some may require additional independent work by the student. To earn college credit, students are required to pass a skill check/assessment with the high school instructor.

Students may earn credit for the following college courses:

Course Prefix and Number	Course Name	Number of Credits

District CTE Director's Signature: _____ **Date:** _____

Please submit this completed form with all supportive documentation to:
