

# Wireless Network Configuration on Mac 10.7 (Lion)

## Procedure:

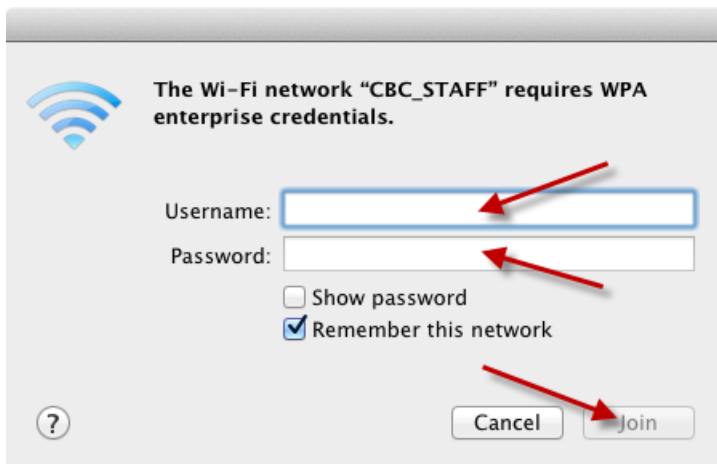

1. **Turn Wi-Fi On** (if not on already)

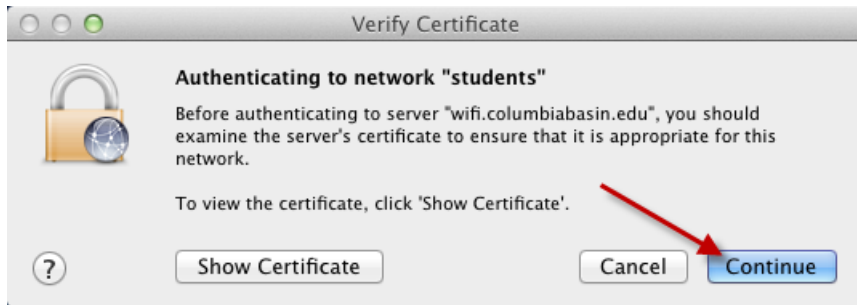

2. **Click "CBC\_STAFF"**

3. **Type** your network **Username** number in the "Username" field
4. **Type** your network **Password** in the "Password" field.
5. **Click "Join"**

6. Click "Continue"

7. Type your computer's **username and password** (username may be already present)

8. Click "Update Settings"

**Congratulations! Your computer is now configured to use the CBC wireless network.**

If you need additional help getting connected, please drop by the Computer Assistance desk in the Library.
