Dear Director,

I want to thank you and your students for making this year's festival a great success. It was good to see so many students in the audience listening to and supporting the other bands.

We were delighted to have you here and hope you are planning to come back next year. Again, be sure to apply EARLY next year. Next year's festival dates are scheduled for **April 18 and 19, 2008.**

In our efforts to make this process paperless and accessible online, we have encountered a few problems that we are currently in the process of resolving. Thank you for your patience and for the suggestions that several of you have had. Please help us to spread the word that festival information can be found online at: <http://www.columbiabasin.edu>

If you did not pick up your score sheets and trophies, you should be seeing them in your mailbox by early next week. If we miss spelled any names or the wrong instrument showed up on any of your student's certificates, please let me know so we can get that corrected for you.

Enclosed is a complete list of this year's festival results. I have a few left over odds and ends from the festival. If you lost anything, give me a call.

Have a great year end and summer!
