STATE WORK STUDY (SWS) PROGRAM

INTRODUCTION

State Work Study is funded by the State Legislature and administered by the Washington State Higher Education Coordinating Board through the Financial Aid Office. These funds are generally used for off-campus jobs which are related to the student's major and/or career goals. Like all Work Study programs, students must file a Financial Aid Form and have a demonstrated need.

STATE WORK STUDY CONTRACT

In order to hire State Work Study students, employers must have a current contract in place with Columbia Basin College and the Washington State Higher Education Coordinating Board (Appendix A1). New Employer Contract Packets are available on the Student Employment Website at <http://jobs.columbiabasin.edu>. The contract packet also contains the Employer Profile (Appendix A2), Tax Reporting Information (Appendix A3), and a Job Description Form (Appendix B). Once an employer has completed a contract and is approved, the Washington State Higher Education Coordinating Board alerts the employer in the spring that it is time to renew their contract for the upcoming academic year. Employers are encouraged to do so. Choosing to renew a contract does not obligate an employer to hire a student.

SWS JOB POSTINGS

The Job Description Form (Appendix B) is completed to post new positions. If the Student Employment Office has the job description on file and it is still current, it may not be necessary to submit a new job description. Please call the Student Employment Office at (509) 542-4875 to repost. If the job description needs updating or it is a different job description from what is on file, please complete a new Job Description Form. Forms are located on the Student Employment Website at <http://jobs.columbiabasin.edu>. When completed, either fax the forms to 547-3673 or e-mail to: ksatterfield@columbiabasin.edu. Jobs will be posted on our Job Board and Website. The State Work Study Coordinator will refer students who meet the qualifications and forward their resume to perspective employers.

REFERRAL OF AN SWS STUDENT

- Students are identified according to their major and career goals.
- Employers receive resumes of students who meet their job requirements.
- Employers review resumes and schedule interviews with students.
- Students should give the employer a Referral Form at the time of interview (Appendix C1 or C2) along with an Employer Procedure (Appendix C3) to be read by the employer.

REFERRAL OF AN SWS STUDENT (cont.)

- Students should give the employer a Referral Form at the time of interview (Appendix C1 or C2) along with an Employer Procedure (Appendix C3) to be read by the employer.
- When the employer is ready to hire a student, the employer will complete the employer section of the referral and return the form to the Student Employment Office prior to the student beginning work. Reimbursement cannot be guaranteed until this form is received and a current contract is in place.
- The Student Employment Office, upon receiving the referral form, will verify the students' eligibility for State Work Study and complete the number of hours each week that a student is eligible to work with reimbursement to the employer based on their Financial Aid award and rate of pay.
- If an employer would like to know the number of hours a student is eligible to work prior to offering the student a job, please check with the Student Employment Office.

PLACEMENT

Once a student is hired, they are paid by the employer on the employers' regular pay days at least once per month.

Students are asked to meet with their employer as soon as possible to discuss job duties, office procedures, dress code and any other job expectations. The Student Evaluation Form (appendix D) may be useful to you at this meeting. We suggest that this be reviewed with the student at the end of each quarter and a copy of the Student Evaluation form be sent to the Student Employment Office.

HOURS

Students are limited to a 19 hour work week when classes are in session and may work up to 40 hours per week during breaks and vacation periods (if their quarterly award is not yet fully expended at the completion of the quarter and if their supervisor requests that they do so). If a student is not eligible for SWS the following quarter, their employment ends on the last day of the current quarter.

It is imperative that employers closely monitor the number of hours referred to on the Referral Form in order to insure that the students' State Work Study award is not exceeded. If it is of absolute necessity to the employer that the student work more than 19 hours per week while classes are in session, the students' actual hours worked must be reflected on their Time Sheet (Appendix E). The employer will only be proportionally reimbursed for a total of 19 hours per week; however, earnings that exceed the dollar amount that the student was awarded for the quarter may possibly impact the amount of their financial aid award for the following year.

STUDENTS ELIGIBILITY

Should the student employees' financial aid eligibility change, their Work Study eligibility may also change. If the student cancels their enrollment, reduces their credit hours to less than half time, or loses their financial aid due to their academic achievement, they immediately lose their eligibility for Work Study. Once the Student Employment Office is notified that a student employee has lost their eligibility for financial aid, the employer will be informed immediately that reimbursement may not be issued after that date.

SWS TIME SHEETS

Each month the Student Employment Office will provide employers with a Time Sheet (Appendix E) to be completed and submitted on a monthly basis. The employer may request the student to use a different time sheet for their internal use in addition to the official one required by the college. An online timesheet is available at: <http://jobs.columbiabasin.edu>.

To access the online timesheet, please follow these instructions:

1. Go to <http://jobs.columbiabasin.edu>
2. Click on the link "Work Study"
3. Click on the link "Supervisors"
4. Click on the link "State Work Study Forms"
5. Click on the link "Monthly Electronic Timesheet for SWS Students"

PAYMENT TO STUDENT

The employer is responsible for paying each student (by check only) at least once per month depending upon the employer's pay period. If the employer pays weekly or bi-weekly, the official Washington State Work Study Program Time Sheet will still be submitted only once per month for reimbursement. Federal taxes, FICA (Social Security) and medical aid must be withheld from the paycheck.

REIMBURSEMENT TO EMPLOYER

The employer must pay the student and then submit the time sheet for reimbursement to Student Employment Office by the 5th of the following month unless otherwise directed. Reimbursement checks will be mailed by Columbia Basin College by the end of the following month.

STATE OF WASHINGTON WORK STUDY PROGRAM EMPLOYER CONTRACT

THIS CONTRACT, entered into this _____ day of _____, 20____, by and among the Higher Education Coordinating Board, an agency of the state of Washington, hereafter called the "Board," or a public postsecondary institution(s) acting as an instrument of the Board in the placement of students, hereinafter called the "Institution;" and _____, an eligible Employer, hereinafter referred to as the "Employer."

2. Refer to the Employer only those students eligible for the program who appear to be qualified for employment, after exercising the priorities in placing students in accordance with the rules and regulations by which the State Work Study Program is administered; and
3. Notify the Employer of any student who may become ineligible.

D. The Board agrees to reimburse the Employer for a percentage of the student's total State Work Study financial aid award. Reimbursement will be a percentage of the total payroll paid to students under this Contract as stated on the Job Description form. Reimbursement will be paid monthly upon receipt of the Employer's properly completed State Work Study timesheets, which have been sent to the Institution. Public postsecondary institutions(s) may reimburse the Employer on behalf of the Board. Private postsecondary institution(s) will forward the timesheets to the Board for reimbursement. No reimbursement will be made if such information is received after the calendar deadlines established by this Contract and the Institution(s).

5. This Contract shall be subject to the availability of funds granted for this program. It shall also be subject to the provisions of RCW 28B.12, the regulations adopted thereunder, and all legislation and regulations pertaining to the State Work Study Program adopted subsequently;

6. This Contract may be terminated by the Board or the Employer if there is failure by the other party to comply with its provisions; and

Prior to the expiration date and at the discretion of the HECB, the contract may be continued for the subsequent academic year. Typically, the renewal letter will be sent out in April. COMPLETION OF STATE WORK STUDY TIME SHEETS FOR COLUMBIA BASIN COLLEGE

The following procedures, in order as they appear on the time sheet, should be performed before they are sent to the Columbia Basin College Student Employment Office. Check these items carefully as errors can cause delays in reimbursement to valued employers.

First and Last Days Hours Worked	<p>The first and last day hours worked should match the first and last day hours that are recorded on the time sheet.</p> <p>In order for all records to match, this should be correct before it is sent to the CBC Student Employment Office. The first and last day worked may not cover more than a 31-day period. For example, a time sheet dated 1/10/00 to 2/15/00 contains overlapping hours from 2/10 to 2/15.</p>
Record of Actual Hours Worked	<p>Hours must be recorded in quarter hours or decimals.</p> <p>Employers should record the hours worked as it is reported and paid on their payroll.</p>
Total Hours Worked	<p>The sum of hours actually worked should equal total hours worked.</p>
Student's signature And Date Signed	<p>The student MUST sign and date the time sheet legibly, and on or after the last day hours were worked.</p> <p>The student's original signature is the only proof we have that the student actually worked the hours recorded on the time sheet. No one may sign on the student's behalf, nor may any documentation replace the correct signature and date. The signature MUST be in pen, not in pencil.</p>
Rate of Pay	<p>Only one pay rate may be recorded on a time sheet.</p> <p>If the student was paid at two different rates during the same period, each pay needs to be recorded on separate time sheets. Please notify CBC Student Employment Office immediately if there is a change in the rate of pay so we may adjust our records accordingly. Pay rates may only be two places past the decimal. For example, a pay rate of \$7.9555 can only be reimbursed at \$7.95.</p>
Gross Compensation	<p>Verify the gross compensation by multiplying the total hours worked by the pay rate.</p> <p>If it appears the student was paid incorrectly, it must be investigated and corrected prior to submitting the time sheet.</p>
Deductions	<p>The time sheet must show the deductions taken from the student's gross compensation.</p> <p>The reason for recording this information is to insure that the student is being treated as a regular employee, not a contractor.</p>
Federal ID Number	<p>The federal ID Number must be correct, and in proper Format, Ex: 99-9999999.</p> <p>If an alpha suffix was included with the approval job description, it must be entered on the time sheet.</p>
Supervisor's Signature and Date Signed	<p>The supervisor must sign and date the time sheet legibly, and on or after the day hours were worked.</p> <p>The signature MUST be in pen, not in pencil.</p>
