

Wireless Network Configuration on Mac 10.7 (Lion)

Procedure:

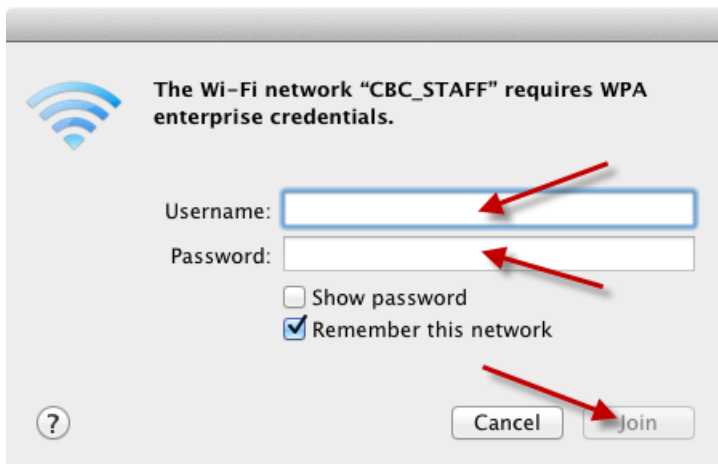

1. **Turn Wi-Fi On** (if not on already)

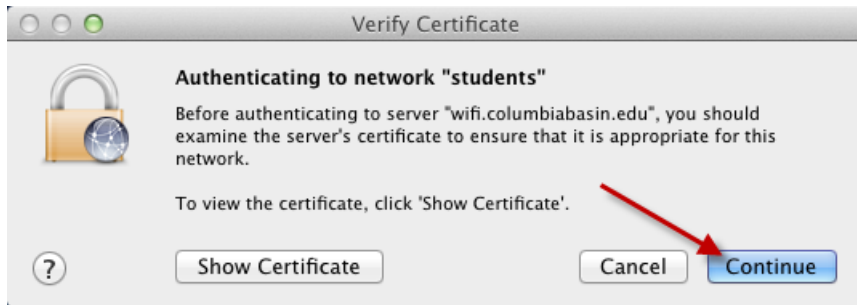

2. **Click "CBC_STAFF"**

3. **Type** your network **Username** number in the "Username" field
4. **Type** your network **Password** in the "Password" field.
5. **Click "Join"**

6. Click "Continue"

7. Type your computer's **username and password** (username may be already present)

8. Click "Update Settings"

Congratulations! Your computer is now configured to use the CBC wireless network.

If you need additional help getting connected, please drop by the Computer Assistance desk in the Library.
