Subtotal 50 Total Credits Required 114-116

It is understood a vocal music major will complete more electives than the minimum 24 required for an AA degree. In addition to the above required coursework, it is extremely important to stay in close contact with your faculty advisor. It is possible your faculty advisor will recommend additional coursework within the Music department.

Minimum grade per course 1.0

^{*}Course selections must also meet the distribution requirements for the AA degree.
