Overview

Tech Prep is an industry and education partnership committed to providing a highly-trained and motivated workforce, prepared to pursue lifelong learning in a changing technological society.

Tech Prep provides occupational pathways for students by preparing them for technologically advanced careers and post-secondary education by emphasizing strong academic, technical, problem-solving, and critical-thinking skills. Tech Prep prepares students for the world of work and helps maintain a quality life in a changing society.

Tech Prep is a national educational initiative. It includes a rigorous and focused course of study which provides students with essential academic and technical foundations which prepare students with necessary workplace skills.

Under Carl Perkins Title II legislation, Tech Prep must:

- Lead to an associate degree, two-year certificate, or apprenticeship.
- Provide technical preparation in at least one field of engineering technology; applied science; mechanical, industrial, or practical art or trade; or agriculture, health, or business.
- Build student competencies in mathematics, science, technology, and communications through a sequential course of study.
- Lead to employment or further education.

The Statewide Enrollment and Reporting System (SERS) is used to collect and report Tech Prep student enrollments at high schools throughout Washington State.

SERS Home Page

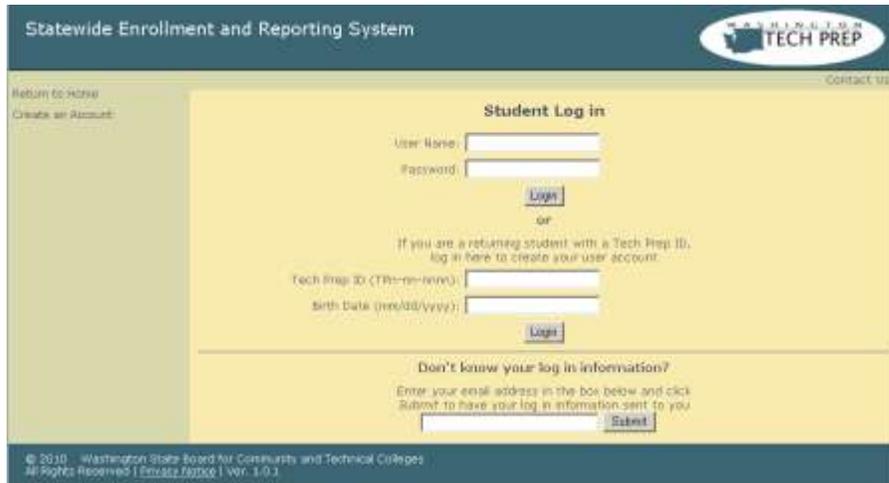

The SERS home page is accessible to the public and is the starting point for students, teachers, registrars, consortium staff, and the general public. It provides log-in functions as well as access to other information.

Logging into SERS

To log in to SERS:

- 1 From the SERS home page, click on **Students Click Here** to get to the log in screen

The screenshot shows the 'Statewide Enrollment and Reporting System' login page. It features a 'Student Log in' section with two login methods. The first method uses a 'User Name' and 'Password' with a 'Login' button. The second method is for returning students with a 'Tech Prep ID' and 'Birth Date (mm/dd/yyyy)', also with a 'Login' button. Below these is a 'Don't know your log in information?' section with a text input field for an email address and a 'Submit' button. The page includes a 'Return to Home' link, a 'Create an Account' link, and a 'CONTACT US' link. A footer contains copyright information for the Washington State Board for Community and Technical Colleges.

- 2 Log in using your user name and password, or use your Tech Prep ID and birth date. (Using the Tech Prep ID is for students who had accounts created prior to the 2009-10 academic year. This log in can only be used once, it prompts you to create a new user name and password which you will use in all future log ins.)

If you have forgotten your SERS username and password, enter your email into the **Don't know your log in information?** box and click the Submit button. The information will be sent to the email address in your User Profile. Note that your user name is generated by SERS and cannot be changed; however, you can change your password at any time.

- 3 Click the Login button.

The Student home page appears.

The screenshot shows the SERS student home page for 'ANDREW JACKSON'. It features a 'Welcome To The Washington Tech Prep SERS' message and a prompt to 'Please select one of the choices to the left to continue'. On the left side, there are links for 'Register for Classes', 'View Registration History', 'View/Edit Profile', and 'Change Password'. The main content area displays a map of Washington state with several blue location markers. A 'Logout' link is visible in the top right corner.

Creating an Account

To create an account:

- 1 From the Student Log in screen, click on Create an Account.

The Create Student Account screen appears. Red dots indicate required fields. To view details about a field, hover your mouse pointer over the information  icon. For example, the  icon by the User Name field provides rules for creating a valid user name.

- 2 Enter your information.
- 3 Select a School District from the drop-down field.
- 4 Select a Home High School from the drop-down field. Only high schools in the chosen district appear in this field.
- 5 Select choices from the Career Cluster and Future Plans drop-down fields. This information can be edited later.
- 6 When done, click the Submit button.

If you have not entered an email address, the system will ask you to confirm you don't want to use email. Not entering an email address will prevent you from receiving any confirmations after registration, or asking for your user name and password to be sent to you.

You can only have one account – if the system finds a previous record for you in the database, it will not allow you to create another account.

If everything passes the checks, a confirmation message appears. Click OK and the Student home page appears.

Note the links in the left-hand navigation area. Use these to register for classes, view your registration history, edit your profile and change your password.

Changing Your Password

To change your password, you must know your current password.

To change your password:

- 1 From the Student home page, click on Change Password.

The Select New Password screen appears.

- 2 Enter your current and new passwords.

- 3 Click the Save Changes button.

A “Password changed” message appears in the left-hand navigation area.

- 4 To perform another function, click on Return to Student Home.

The screenshot shows a web application interface for changing a password. At the top, there is a navigation bar with 'MARY FREEMAN | Logout' on the left and 'Resources' and 'Contact Us' on the right. Below the navigation bar, there is a 'Return to Student Home' link and a 'Save Changes' button. A green notification box with a checkmark icon displays the message 'Password changed'. The main content area is titled 'Select New Password' and contains the following text: 'Please enter the information below. Passwords must be between 5 and 10 characters in length, begin with a letter and contain at least one number.' Below this text are three input fields: 'Enter Current Password', 'Enter New Password', and 'Confirm New Password'.

Viewing and Editing Your Profile

To edit your profile:

- 1 From the Student home page, click on View/Edit Profile.
The View/Update Student Profile screen appears.

The screenshot shows a web form titled "View/Update Student Profile" for a user named Andrew Jackson. The form contains various input fields, many of which are marked with a red dot indicating they are required. The fields include: User Name (ajackson), Legal First Name (ANDREW), Middle Initial (empty), Legal Last Name (JACKSON), Birth Date (09/19/1988), Gender (Male selected), Ethnicity (Alaskan Native), Email Address (appdev@sbcctc.edu), Social Security Number, State Student ID, Tech Prep ID (TP3-00-0101), Mailing Address (453 MOUNTAIN LANE), City (Elbe), State (Washington), Zip Code (92343), Primary Phone ((564) 565-6564), Parent/Guardian First Name (MOM), Parent/Guardian Last Name (JACKSON), Current Grade Level (12th Grade), Graduation Year (2009), School District (Bremerton School District), Home High School (Bremerton High School), Career Cluster (Human Services), and Future Plans (Further education -Out of state career school). A "Submit" button is located at the bottom of the form. Below the form is a "College Information" section with a table showing "Big Bend" as a college with a "College SID" of "453454534". The footer of the page includes the copyright notice "© 2009 Washington State Board for Community and Technical Colleges".

College	College SID
Big Bend	453454534

- 2 Edit your information. You can change most of your information except your user name, Tech Prep ID, and graduation year. The College Information section displays colleges that have registered you and given you a student ID.
- 3 When done, click the Submit button.

Searching Classes

To search for classes:

- 1 From the Student home page, click on Register for Classes.
The Register for Classes screen appears.
- 2 To view all classes statewide, use the default settings.
To narrow your search, select options from one or more fields.
- 3 Click the Go Search! button.
The results appear below the search form.

[Go Search!](#) [Reset Choices](#)

Note: You may only register for classes within one Consortium at a time. Some classes may not be available for registration as indicated by these icons:

Consortium is currently closed for registration You are currently registered in this class through an articulation You have already completed this class through an articulation

Registration Instructions:
 Step 1: Search for a class using the search choices above.
 Step 2: Select any class you want to register for by clicking the check box in the left column of the results table below.
 Step 3: Click the Register button above left to continue.

76 Records Found Number of Results Per Page: All

Reg	High School Class (click for details)	High School	College	Articulation Name	Consortium
<input checked="" type="checkbox"/>	1st Year Fire Cadet (2 semesters)	Battle Ground	Lower Columbia	Fire Science 1st Year	CW Consortium
<input type="checkbox"/>	Accounting	Columbia Basin	Big Bend	Intro to Accounting	Basin Consortium
<input type="checkbox"/>	Accounting	Ephrata	Big Bend	Intro to Accounting	Basin Consortium
<input type="checkbox"/>	Accounting	Columbia Basin	Big Bend	Business Calculators	Basin Consortium
<input type="checkbox"/>	Advanced Filmmaking	Ferris	Spokane Falls	Advanced Filmmaking	NewTec
<input type="checkbox"/>	Applied Math	Colville Senior	Spokane	Applied Math	NewTec
<input checked="" type="checkbox"/>	Auto System Tech	Tri-Tech Skills Center	Columbia Basin	Auto System Tech	Columbia

Registering for Classes

To register for classes:

- 1 After searching for classes, in the Register for Classes results table, check the checkbox next to the class or classes you want.

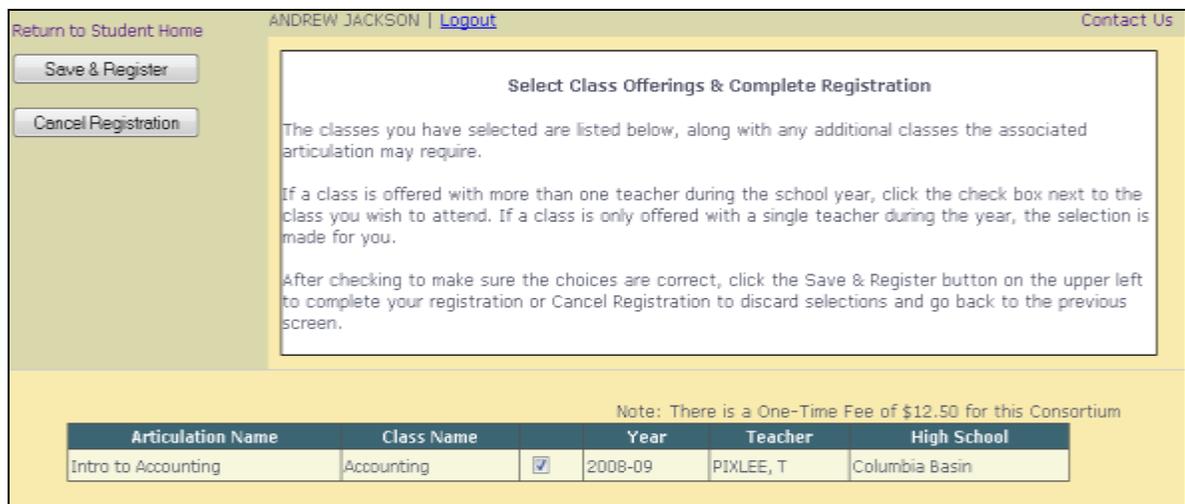

Note that you can only register for classes within one consortium at a time. When you select a class, all other classes in different consortiums become disabled.

If you cannot register for a class, one of three icons will appear indicating one of the following:

-  Registration is not open for that consortium.
-  You are already registered for that class.
-  You already completed that class.

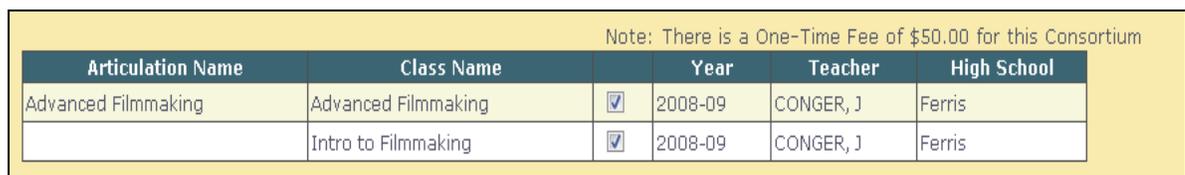

- 2 When done, click the Register button.

The Select Class Offerings & Complete Registration screen appears.

Articulation Name	Class Name		Year	Teacher	High School
Intro to Accounting	Accounting	<input checked="" type="checkbox"/>	2008-09	PIXLEE, T	Columbia Basin

- 3 Check the checkbox for the teacher you will be taking the class from. If there is only one teacher, the checkbox is automatically checked.
- 4 If the articulation has additional classes associated with it, these are displayed. You must select a teacher for each class.

Articulation Name	Class Name		Year	Teacher	High School
Advanced Filmmaking	Advanced Filmmaking	<input checked="" type="checkbox"/>	2008-09	CONGER, J	Ferris
	Intro to Filmmaking	<input checked="" type="checkbox"/>	2008-09	CONGER, J	Ferris

5 To cancel the registration, click the Cancel Registration button.

To finish the registration, click the Save & Register button.

A confirmation page appears. If your consortium charges a fee or requires mail-in registration, you will need to:

- Print this page.
- Sign it, if required.
- Send it before the deadline date indicated on the page.

Printing Registration Confirmation

When you click the Save & Register button on the Select Class Offerings & Complete Registration screen, a confirmation screen appears. Depending on the consortium, the information displayed may vary. For example, the screen may include mail-in registration information, or payment information for consortium fees.

To print the confirmation information, click the print icon at the top of the screen. If the college requires a mail-in registration form, use the printed confirmation information.

Basin Tech Prep Consortium Registration

9/3/2009

Your registration for the high school classes below has been received

Tech Prep program requirements

Students must earn a 3.0 (B) or higher in the high school classes to be eligible to earn college credit. Other requirements may apply. There is no guarantee that these credits will transfer to any other community college, or four-year college or university.

Fee Details

You have no outstanding Tech Prep registration fees as of 9/3/2009.
