

3.0 Protective Equipment and Clothing

- 3.1 Goggles, masks, shields, or other prescribed face and eye protection shall be used by individuals who are engaged in welding, grinding, torch cutting, snagging or chipping, handling molten metals, acids or caustics, or who are exposed to harmful rays, dust or flying materials of any kind. Respirators or masks shall be used by students and staff who are exposed to hazardous dusts, gases, fumes or mists or to atmosphere deficient in oxygen. Hard hats shall be worn by individuals who work around or under scaffolds or other overhead structures or who are otherwise exposed to hazards of falling material.
- 3.2 An instructor may require students and other shop participants to use any of the above mentioned or other protective equipment and clothing when such equipment and clothing may be reasonably expected to prevent harm and injury. The cost of personal protective equipment and clothing shall be the responsibility of the student or shop participant, unless otherwise provided by CBC.
- 3.3 Individuals working around equipment or other hazardous situations shall have their hair or beards trimmed within the safe limits or shall wear caps or other types of head or face covering which completely covers the hair, if such action is necessary to prevent vision obstruction or any other hazardous condition.
