Dear Director,

I want to thank you and your students for making this year's festival a great success. It was good to see so many students in the audience listening to and supporting the other bands. I was also impressed at the turnout for the John Fedchock clinic.

We were delighted to have you here and hope you are planning to come back next year. Again, be sure to apply EARLY next year. Next year's festival dates are scheduled for **April 9 and 10, 2010**.

Please help us to spread the word that festival information can be found online at: www.columbiabasin.edu/jazzunlimited

If you did not pick up your score sheets and trophies, they should have been mailed to you by now. If we misspelled any names or the wrong instrument showed up on any of your student's certificates, please let me know so we can get that corrected for you.

Also attached are the results from Saturday's event that show all scores in each division respectively. You will also find a complete list of this year's festival results.

I wish you the best as we near the year's end.

Musically yours,

Randy Hubbs
