APPENDIX

A Historical Log of All Amendments to the ASCBC Constitution and Bylaws

Legislation: Executive Authority Act

Date Enacted: June 18, 2010

The Executive Authority Act inserted into the Bylaws, Article II, Section 2, Item A:

- d) Have the authority to act as the student legislature during the summer quarter to approve expenditures from the ATA account to further special projects
 - i. All such projects must have previously approved by the student legislature and a condition must exist which requires additional funding to continue the project in a timely manner
 - ii. The Executive Council shall present a report of any such expenses approved in this manner to each Council

Legislation: Changes to multiple articles of the Constitution

Date Enacted: June 11, 2012

- Article IV: Legislative Branch
 - Section 2: The Club Council
 - Part D: Added “During legislative sessions”, because there’s really no other time when the Vice President *needs* to chair the Club Council.
- Article V: Executive Branch
 - Section 1: The Executive Council
 - Part A: We removed “*who shall be elected officials, chosen by a majority of votes cast in an all student election*”, because we wanted to move that statement to the bylaws of the Constitution.
 - Part B: We omitted part B which talked about operating standards. After reviewing the document, this part of the constitution did not seem to apply to this department.
 - Section 3: The ASCBC President
 - Part A: We omitted part A which talked about operating standards. After reviewing the document, this part of the constitution did not seem to apply to this department.
 - Section 4: The ASCBC Vice President
 - Part A: We omitted part B which talked about operating standards. After reviewing the document, this part of the constitution did not seem to apply to this department.
- Article VII: Service and Activities Board
 - Section 2: Changed title of section to "Duties of the Service and Activities Board"
 - Removed “Powers and” because we felt that considering the responsibilities of the Service and Activities Board, “Duties” was sufficient enough.
 - Part A: We removed “*The SAB shall have responsibility for all elections for the ASCBC*”, because we wanted to move that statement to the bylaws of the Constitution.
