## **BEFORE YOU START**

Ready to get started? To begin working on the Early Childhood Education pathway, you simply need to apply and be accepted to CBC. You can apply online at <a href="https://www.columbiabasin.edu">www.columbiabasin.edu</a>.

### ABOUT THE PROGRAM

At CBC, we build our community of early childhood educators one quarter at a time. With stackable certificates and degrees, you'll develop your knowledge and skills in the field of Early Childhood Education (ECE) in a meaningful progression. **ECE Program Highlights:** 

- Certificate programs combine theory and practical experience with emphasis placed on active student involvement.
- Coursework includes participation, observation and practical experience.

### **OUT OF CLASS TO DO'S**

- Contact your instructors and/or the CBC Career Services Center to find an internship, observation/shadowing experience, or a job in the education field.
- Research transfer schools of interest with your Completion Coach.
- Visit the Academic Success Center for quiet study space, small group study, supplemental instruction and tutoring assistance.
- Before student teaching (ECED 479) students must complete a criminal history check. Contact the Early Childhood Education department for more information.

#### **CAREER OPPORTUNITIES**

Early Childhood Educators will find their skills and talents necessary and relevant to several careers. From child care center assistants to operating your own family home child care, educators have many options in their future.

Our programs support the Washington State Department of Children, Youth and Families (DCYF) Early Childhood Education (ECE) Statewide Credentials and are aligned with the Washington State Core Competencies for Early Care and Education Professionals, allowing you to work through a series of up to three stackable certificates.

#### **FAQs**

#### Class Times/Delivery Format

Most courses are offered in the evenings and on Saturdays to accommodate the varied schedules of working students.

#### **Length of Program**

A state initial ECE certificate can be completed in one quarter. The AAS degree typically takes two years. The BASTE program can be completed in an additional 2-3 years.

## Which Quarter Can I Begin?
