BEFORE YOU START

Ready to get started? To begin working towards the Hydroponics & Greenhouse Management certificate, you simply need to apply and be accepted to CBC. You can apply online at www.columbiabasin.edu.

ABOUT THE PROGRAM

As a student in CBC's Agriculture Program, you can explore the limitless opportunities available for a career in Ag. The courses in this certificate are designed to provide you with a deeper understanding of the foundational science of modern agriculture and will prepare you for a career in hydroponics and greenhouse management.

OUT OF CLASS TO DO'S

- Contact your instructors and/or the CBC Career Services Center to find an internship, observation/shadowing experience, or a job in the field of hydroponics and greenhouse management.
- Get involved! Consider joining PAS (Professional Agriculture Student Club)!
- Visit the Academic Success Center for quiet study space, small group study, supplemental instruction and tutoring assistance.

CAREER OPPORTUNITIES

Specialists in hydroponics and greenhouse managers are responsible for the daily operations involved with running a greenhouse or nursery. Depending upon the structure of the business, you may work with the public or in a business-to-business arrangement. Greenhouses can be used for commercial plant purposes or in food production. Managers must be knowledgeable about the stages of plant life and diseases that may occur.
