## Section II: Admission Index Scoring System LPN-BSN Program

Students will be selected using a holistic admission scoring system (see Tables 1-3) that incorporates the applicant's cumulative GPA, years of experience as an LPN, personal history and experience, and evaluation of their resume and video essay by nursing faculty. The 16 applicants with the highest overall scores will be offered admission.

A wait list of potential applicants will be drafted and ranked in order of highest to lowest. If an accepted applicant declines entry into the program, the first applicant on the wait list is selected. Students who are not admitted to the program by the start of the quarter must reapply for the next admission cycle.

1. Students accepted into the program are required to obtain a national background check through Castlebranch. Information about how to obtain the background check will be provided at the time a student is admitted into the program.
2. Immunizations and American Heart Association BLS for Healthcare Provider Cardiopulmonary Resuscitation (CPR) cards will be also be submitted and tracked through Castlebranch. Students must remain current with required immunizations (including TB testing and annual flu shots) and CPR during the LPN-BSN program.
3. Students must be able to provide their own transportation to clinical facilities.
4. Students are strongly encouraged to purchase a personal computer, tablet, or laptop with Microsoft Word, Excel, and Power Point programs installed. Adobe Reader software is also necessary. However, computers are available on campus for those who do not have a one at home.
5. Students are encouraged to have accident/health insurance. A Student Injury and Sickness insurance plan is available for purchase through a college vendor. Rates and coverage may be viewed at [www.summitamerica-ins.com](http://www.summitamerica-ins.com).
6. Students are required to have malpractice insurance. This fee is added to the cost of tuition and billed by the college.
7. Membership in the CBC Association of Student Nurses (ASN) is encouraged. The cost is \$10 per year.
8. Information about scholarships and student loans is available through Hawk Central, located in the H Building (the HUB) on the Pasco campus. Additional scholarships are available directly through the nursing department.
9. Students should plan to spend approximately two to three hours of time each week studying outside of class for each credit hour. For example, a 5 credit class would require about 10 hours of study time each week.
10. All nursing and general education courses must be passed with a minimum 2.0 GPA to successfully complete in the program.
11. Applicants living outside the Tri-Cities area will need to make arrangements to be in the Tri-Cities on weekends for laboratory and clinical experiences.
