- To speed your request, make sure the information is complete and correct.
- Decisions on resident status are based on documents submitted, which become a part of your file and are **not returned**.
- You are *responsible for paying tuition and fees while awaiting a determination* of your residency status. If the determination is made that you qualify for resident status after you've paid tuition as a non-resident, a refund will be processed for the difference.
- You must prove conclusively that you have established a bona fide domicile (residence) in Washington State for reasons other than education for 12 months prior to the start of the quarter for which they are applying for recognition of Washington State residency.
