Consent

Notice to Clients: The Department of Social and Health Services (DSHS) can help you better if we are able to work with other agencies and professionals that know you and your family. By signing this form, you are giving permission for DSHS and the agencies and individuals listed below to use and share confidential information about you. DSHS cannot refuse you benefits if you do not sign this form unless your consent is needed to determine your eligibility. If you do not sign this form, DSHS may still share information about you to the extent allowed by law. If you have questions about how DSHS shares client confidential information or your privacy rights, please consult the DSHS Notice of Privacy Practices or ask the person giving you this form.

Consent

1. I consent to the use of confidential information about me within DSHS to plan, provide, and coordinate services, treatment, payments, and benefits for me or for other purposes authorized by law. I also grant permission to DSHS and the below listed agencies, providers, or persons to use my confidential information and disclose it to each other for these purposes. Information may be shared verbally or electronically, by mail, or hand delivery.

   Reason for Disclosure: This information is required before DSHS can share drug and alcohol or mental health records. If you do not fill in this field, DSHS will note the reason for disclosure as being at your request.

Notice to Recipients of Information: **If these records contain information about HIV, STDs, or AIDS, you may not further disclose that information without the client's specific permission.** If you have received information related to **drug or alcohol abuse** by the client, you must include the following statement when further disclosing information as required by 42 CFR 2.32:

This information has been disclosed to you from records protected by Federal confidentiality rules (42 CFR part 2). The Federal rules prohibit you from making any further disclosure of this information unless further disclosure is expressly permitted by the written consent of the person to whom it pertains or as otherwise permitted by 42 CFR part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.

Instructions for Completing the Consent Forms, DSHS 14-012

Use: Use this form when you need consent to use or share confidential information about a client on a continuing basis about a client within DSHS or to disclose that information to other agencies to coordinate services or for treatment, payment or agency operations or for other purposes recognized by law.

Fill out this form electronically if possible. You must complete **a separate form for each person, including children.** .

Parts of Form:

IDENTIFICATION:

- Name: Provide the name of only one client on each form. Include any former names that client may have used when receiving services.
- Date of Birth: Needed to identify client from persons with similar names.
- Identification Number: Provide a client identification number or other identifier such as a social security number (not required) to assist in identifying records and tracking history and services received.
- Other: Include in this box any additional information that may help to locate records, such as DSHS involved with services, names of family members, or other relevant information.

CONSENT (AUTHORIZATION):

- Reason for disclosure: This information is required before DSHS can share drug and alcohol or mental health records. If you do not fill in this field, DSHS will note the reason for disclosure as being at your request.
- Agencies or persons exchanging records: This completed form allows: (1) the use and disclosure of confidential information inside DSHS and with the agencies or persons listed; and (2) disclosure of confidential information to DSHS by the outside agencies or persons listed. You may also attach a list of agencies allowed to share information, which the client must also sign.
- Information included: Clients must indicate what records are covered by the consent. Clients may make all records available or may limit the included records by date, type or source of record. If a client does not sign a consent or does not specify a particular record, sharing of that record will still be allowed if permitted by law. You may attach a list of covered records that the client must also sign. If any records include information relating to mental health (RCW 71.05.620), HIV/AIDS or STD testing or treatment (RCW 70.02.220), or drug and alcohol services (42 CFR 2.31(a)(5)), the client must mark these areas specifically to give permission to share these records. This form is not valid to include psychotherapy notes under 45 CFR 164.508(b)(3)(ii); a separate form must be completed to include those records.
- Duration: Include an expiration date for the consent, if different than one year. The consent will expire in one year unless you identify a different date.
- Understanding: Be sure the client understands what permission is being granted and how and why information will be shared. If needed, use a translated form and interpreter or read the form aloud. If the client needs more information, provide an additional copy of the DSHS Notice of Privacy Practices or refer the client to the public disclosure officer for your unit.

SIGNATURES:

- Client: Have client or a child over age of consent (13 for mental health and drug and alcohol services; 14 for HIV/AIDS and other STDs; any age for birth control and abortions; 18 for health care and other records) sign this box and insert the date of signature. The client may substitute a mark in this box that you witness.
- Witness or Notary: A witness or notary may be needed to verify the client's identity if the client does not submit this form in person or if a program requests verification. This person should sign and print his or her name.
- Parent or Other Representative: If the client is a child under the age of consent, a parent or guardian must sign. If the child does not meet the age of consent for all records to be shared, both the child and the parent must sign. If the client has been declared legally incompetent, the court appointed guardian must sign and provide a copy of the order of appointment. If someone is signing in another capacity (including a person with a power of attorney or an estate representative), mark "other" and obtain a copy of the legal authority to act. The person signing must date the signature and give a telephone number or contact information.
