

Columbia Basin College

Bridge to College Course Placement

2021-2022

Columbia Basin College, along with all other Washington community and technical colleges, are in a state-wide agreement allowing high school students with qualifying Bridge to College (BtC) scores direct entry into entry-level, credit bearing courses. This placement agreement represents the commitment of Washington’s higher education institutions to provide high school students the opportunity to avoid the time and cost of pre-college level courses by providing an alternative placement method.

ELIGIBILITY

High School students who wish to use a grade of “B or better” in a designated BtC English and/or math course for placement, may submit their official or unofficial transcript within a year of graduation.

BRIDGE TO COLLEGE MATH	BRIDGE TO COLLEGE ENGLISH
Placement into MATH& 107 (<i>Math in Society</i>), MATH& 146 (<i>Intro to Statistics</i>), or their equivalents: MATH 100* (Algebraic Topics for Vocational Application), MATH 106* (Business Mathematics), MATH 108* (Early Childhood Education), MATH 111* (Automotive Math), and MATH 112* (Machinist Math). Placement does not include a calculus or STEM pathway.	Placement into entry college-level English course: ENGL& 101 (English Composition I) or ENGL 103 (Writing in the Workplace). Reading considered at college-level, no course required.
High School transcript showing a “B” or better (in the final term) in a designated Bridge to College Math course in their senior year, and who begin college the year following graduation.	High School transcript showing a “B” or better (in the final term) in a designated Bridge to College English course in their senior year, and who begin college the year following graduation.

*These classes satisfy the requirements for specific technical/vocational programs but are generally not transferrable.

NOTES:

1. Both BtC English and math are full-year courses. A student must complete the full year to use the course for college placement.
2. For BtC math, some high schools may use a block format that reduces the time to one term.
3. The Bridge to College courses may be identified on transcripts by a common course code such as WA0001 for English and WA0003 for math.

TRANSCRIPTS

An official or unofficial high school transcripts must be submitted with SBA Math scores for evaluation. Transcripts and SBA score reports can be accessed via high school grading system or counselors and may be delivered to the CBC Assessment Center by fax to 509-544-2037, by email to testingcenter@columbiabasin.edu, by mail or hand-delivered to 2600 N 20th Avenue (MS-H7), Pasco, WA, 99301, Pasco Campus - Building H, Assessment Center.

EXPIRATION

Math and English placements expire one year following high school graduation on June 30 (summer quarter).

Revised 1/3/2022

Columbia Basin College complies with the spirit and letter of state and federal laws, regulations and executive orders pertaining to civil rights, Title IX, equal opportunity and affirmative action. CBC does not discriminate on the basis of race, color, creed, religion, national or ethnic origin, parental status or families with children, marital status, sex (gender), sexual orientation, gender identity or expression, age, genetic information, honorably discharged veteran or military status, or the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal (allowed by law) by a person with a disability, or any other prohibited basis in its educational programs or employment. Questions or complaints may be referred to the Vice President for Human Resources & Legal Affairs and CBC's Title IX/EEO Coordinator at 509-542-5548. Individuals with disabilities are encouraged to participate in all college sponsored events and programs. If you have a disability, and require an accommodation, please contact the CBC Disability Support Services at 509-542-4412 or the Washington Relay Service at 711 or 1-800-833-6384. This notice is available in alternative media by request.
