

City University of Seattle and Columbia Basin College Articulation Agreement Addendum

Introduction

This Articulation Agreement Addendum recognizes that City University of Seattle (CityU) and **Columbia Basin College** are active educational partners committed to providing greater educational opportunities and services for students transferring between institutions. This agreement supports the concept of a seamless transfer embracing the principle that transfer students should not be required to repeat competencies already achieved. CityU and **Columbia Basin College** enter into this agreement in the spirit of cooperation and mutually recognize each other as quality institutions of higher learning.

Course and Program Transfer Crosswalks

The Crosswalks requested are completed and attached below for the review of Columbia Basin College. Any questions or concerns should be directed to the POC of each institution listed below.

CityU POC:

Articulation to City University of Seattle

Graduate Degrees

The following Columbia Basin College Bachelor of Applied Science degrees may directly articulate to meet admissions requirements as specified to City University of Seattle's (CityU) Graduate degrees.

All Columbia Basin College students must meet the bachelor degree completion requirements of a 2.0 minimum GPA and completed any required authorizations/fees for the program completion at the bachelor awarding school. Students must formally apply to City University of Seattle and send an official transcript showing the conferred bachelor's degree, which will meet admission requirements for the CityU plans specified below.

Note: Some programs require subject matter specific prerequisites or credentials/GPA requirements, interviews with the program, and supplementary admission documents. Please see current admission requirements by visiting www.cityu.edu current catalog for additional information.

Programs offered at the Columbia Basin College eligible for entry to CityU graduate programs:

- Bachelor of Applied Science in Applied Management
- Bachelor of Applied Science in Project Management

Master Programs offered at City University of Seattle:

Columbia Basin College students who complete any of the above listed Bachelor of Applied Sciences degrees will be eligible for enrollment in any of the CityU master's degree listed below. In a few cases, the programs have entrance requirements; these are clearly specified where they apply. If no entrance requirements are specified, then only the completion of the BAS degree is necessary for program admission.
