***POLICY TITLE: FIDUCIARY RESPONSIBILITY / FINANCIAL CONDITION AND ACTIVITY***

Accordingly, the President shall not:

1. Expend more funds than have been approved by the Board (via policy decisions) in the fiscal year, unless there has been Board approval to do otherwise.
2. Expend more funds than have been received in the fiscal year to date, plus the accumulated Reserve, unless the Board-approved debt guideline is met.
3. Incur debt in an amount greater than which can be repaid by certain and otherwise unencumbered revenues within the current year, nor can be repaid from account specifically established for such purpose.
4. Jeopardize fiscal integrity by expending College funds in a manner that will result in a zero or negative fund balance at the close of the fiscal year.
5. Fail to settle payroll and debts in a timely manner.
6. Allow tax payments or other government-ordered payments or filings to be overdue and inaccurately filed.
7. Acquire, encumber or dispose of real property without Board approval.
8. Fail to aggressively pursue receivables after a reasonable grace period.
9. Fail to provide to the Board, at their designated frequency, reports on the College's current financial condition that will continually enhance the Board's ability to meet its fiduciary responsibility.
10. Accept gifts or grants that are not in the best interest of the College, and not obligate the College to make future expenditures using funds other than those created by the gift or grant without Board approval.

11. Fail to maintain an Operating Reserve to a level approved by the Board, to provide for such items as, but not limited to:

The President shall not fail to annually recommend to the Board an amount to be set aside to maintain this fund, which is subject to approval by the Board.
