Dear Director,

I want to thank you and your students for making this year's festival a great success. It was good to see so many students in the audience listening to and supporting the other bands.

We were delighted to have you here and hope you are planning to come back next year. Again, be sure to apply EARLY next year. Next year's festival dates are scheduled for **April 14 & 15, 2006**.

I am always interested in your feed back in order to improve the quality of this event. I'm particularly interested in how you felt about the changes that we made to this year's event.

If you did not pick up your score sheets & trophies, you should be seeing them in your mail box by the end of the week. If we miss spelled any names or the wrong instrument showed up on any of your student's certificates, please let me know so we can get that corrected for you.

Enclosed is a complete list of this year's festival results.

I have a few left over odds & ends from the festival. If you lost anything, give me a call.

Have a great year end & Summer!
